BOOK SYNOPSIS

With the whole of human history altered, Denny Younger may be the last rewinder in existence-and the last person on earth with a chaser unit capable of time travel. While caring for his ailing sister, Denny must discover a way to recharge his device before he's left with no defense against a past that wants him dead. Before long, Denny notices a mysterious stranger following him-keeping tabs on Denny, his family, and his friends. Is Denny just paranoid? Or maybe he isn't alone in this new reality after all.... When his chaser is stolen and his girlfriend is kidnapped, Denny risks everything to get both of them back. Launched into a high-stakes chase that spans continents and millennia, Denny's responsibility to save our future isn't over yet.
