## BOOK SYNOPSIS

At South Bay High, the drama just keeps on growing... In the long-awaited 15th volume of the Drama High series, Street Soldiers picks up with a murder in front of Jayds grandparents house. Mama and Daddy are convinced the police have the wrong suspect in custody and have joined forces to help organize the neighborhood and find the real killer. Mickeys ex-boyfriend has been arrested for the gruesome act, which is more like their wicked next-door neighbor, Esmeralda, and her shape-shifting boyfriend, Rousseaus handiwork. And, to make matters worse, Esmeraldas influence in the community is growing stronger every day as are the powers of her top apprentices and Jayds best frenemies, Misty and Emilio. With two of Jayds closest friends, Mickey and Nigel, at war over the custody of Mickeys daughter, Jayds ex-boyfriend, Rah going back to his ex-girlfriend, Trish without Jayds knowledge and having to witness her most recent love, Jeremy pretend to date her newest enemy, Cameron, Jayds had just about all the drama she can take...and its only the beginning of their senior year. Keenan, her new college coffee buddy, is the only one who can take her mind off of her chaotic life. Jayd soon decides that its time to make some changes and get rid of anyone-and anything-holding her back.
