BOOK SYNOPSIS

The only high school geography test co-authored by the National Geographic Society, Glencoe World Geography offers not only a fascinating view of the world, enlivened by but also a meticulous, accurate presentation. This program focuses on the development of geographic literacy. Features Unequaled Authorship National Geographic writers and photographers have teamed to make Glencoe World Geography the most engaging geography program available. Every page, map, chart, and picture has been carefully fact-checked by National Geographic's Cartographer in Residence, and the maps are carefully labeled, up-to-date, and colorful. A Geographic View, taken from the pages of National Geographic magazine, opens every section of the text and grabs your students attention. Connections to Today Geography and History shows students how geography has affected historical events in various regions of the world. The Regions Today Viewpoint Case Studies provide opportunities for students to discuss the environmental challenges facing the world's regions.
