BOOK SYNOPSIS

British vampire psychiatrist and former mercenary Cage Reynolds returns to Penton, Alabama, looking for a permanent home. The town has been ravaged by the ongoing vampire war and the shortage of untainted human blood, and now the vampires and humans that make up the Omega Force are trying to rebuild. Cage hopes to help the cause, put down roots in Penton, and resolve his relationship with Melissa Calvert. The last thing he expects is to find himself drawn to Robin Ashton, trash-talking eagle shape-shifter and new Omega recruit.
