## BOOK SYNOPSIS

The marriage revolution is at hand—its going on right now, led by straight-shooting, brutally honest gloves-off contemporary Married Girls. With her fifteen years of experience at top women's magazines, Mandi Norwood speaks to this new generation of married women who crave independence and adventure just as much as they crave commitment. Like a great girls night out, this smart, sexy, candid guide reveals married girls' most intimate confessions from over one hundred in-depth interviews. So what makes today's Married Girls' marriage different from her mother's marriage? Sometimes hilarious, often tender, and always empowering, Mandi Norwood delivers from-the-heart, savvy, and practical advice about every aspect of modern marriage from power, controlling money, omigod-the-mother-in-law, to brazen behavior in bed.
