BOOK SYNOPSIS

When My Mother No Longer Knew My Name: A Sons Course in Rational Caregiving should be the first book families read to prepare themselves for caring for aging relatives. Its a one-man support group, written like a friend whos been-there-do-e-that, talking anecdotally, but authoritatively, to a friend who needs help. It is raw and gritty, as well as funny and inspiring--offering hope that one can overcome a mountain of seemingly insurmountable challenges, for which they likely feel devastatingly unprepared. Each brief, compelling, highly readable chapter tells how a son learned on-the-job to deal with different situations all caregivers face as his caregiving role evolved from nominal to 24/7. The book is packed with down-to-earth practical advice and tips to make caregiving manageable-even joyful. Theres even a unique self-assessment guide so caregivers and potential caregivers can benchmark and enhance their ability to manage the often lonely, challenging, unpredictable, and overwhelming roles they may assume.

WHEN MY MOTHER NO LONGER KNEW MY NAME A SONS - Are you looking for Ebook When My Mother No Longer Knew My Name A Sons?
